CONFIDENTIAL/ PRIVILEGED COMMUNICATION

Recognizing that Internet communications are not secure, I hereby authorize the USPTO to communicate with me concerning the below noted matter of the below noted patent application by electronic mail. I understand that a copy of these communications will be made of record in the application file.

Dear Examiner Sams:

Please find attached a revised proposed telephone interview agenda for our telephone interview scheduled at 1 PM on March 31 for Serial No. 10/810,924.

I'd like your help in identifying any allowable subject matter.

Regards,

Walter Malinowski
Registration No. 43423
